

# PAY PER WASH

## Dear laundry user - Gadehavegård

### Follow these steps as a new user of the laundry Pay Per Wash, Gadehavegård:

1. First you need to register yourself on the website [www.payperwash.com](http://www.payperwash.com) and on the front page select the function "New User" where you must enter the 9 numbers that appear on the washing tag you receive with this letter together with your personal information. Then you will subsequently be created as a laundry user and receive an email back with your login to your profile belonging to Gadehavegård.
2. When you have logged in for the first time, you must first deposit money into your laundry account, this you do under the tab "Balance". As soon as there is money in the account, you can start using the laundry.
3. If you do not have access to a PC and thus do not have the opportunity to register as a user and thus can not deposit money on your washing chip, then you can contact our customer support on 97145462 Monday to Friday between 08:00 and 17:00, then we can find out and get you set up and give you the information you need for so possibly. instead and make a bank transfer to your checking account.
4. All inquiries about payment, ordering and other matters. The laundry operations must be directed to Pay Per Wash A/S, which handles these tasks.
5. All inquiries to Pay Per Wash A/S should be directed to our website [www.payperwash.com](http://www.payperwash.com) alternatively, we can also be contacted by phone number +45 97145462 Monday to Friday between 08:00 - 17:00 or email: [support@payperwash.com](mailto:support@payperwash.com)
6. If you lose your washing chip, you must contact the housing office / caretaker, then you can get handed out now and then Pay Per Wash must be contacted on 97145462 or email: [support@payperwash.com](mailto:support@payperwash.com) and be informed of the new 9 numbers on it piece that has now been handed out, then it will be activated for one's user account.
